Build-O-Matic USB

Use the coloured cardstock guides for the projects below to make your projects look just like the characters.

Character Trinket Box  
Gromit

Character Trinket Box  
Wallace

Use your pens or fineliners to colour the teeth before gluing the pieces together.

## Suitcase

When loading the base file Scan N Cut may show 'too big for mat' error message on screen.

Please ignore as the suitcase has been designed to be as big as the mat will allow.
