GO! trailing hearts APPLIQUED SHIRTS

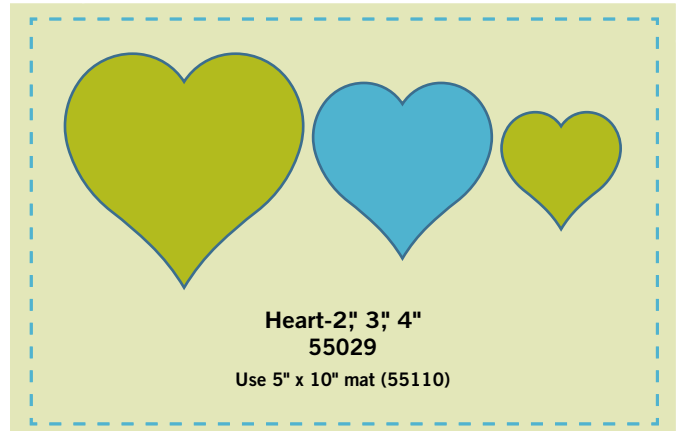

FABRIC REQUIREMENTS

- 2-3 fat quarters for heart flowers
- 2-3 fat quarters or scraps of various green fabrics for leaves
- 1½ yards fusible web product
- 4 yards cording or flat trim for vine
- 1 large and 1 medium size button for flower centers
- Cotton shirt of choice

CUTTING DIRECTIONS

Apply fusible web to wrong side of selected fabrics following manufacturer's instructions

- Cut 1—large heart from selected fabric
- Cut 4—medium hearts from selected fabrics
- Cut 10—small hearts from selected fabrics
- Cut 6—small hearts from shades of green fabrics
- Cut desired lengths of coordinated cording

SEWING DIRECTIONS

1. Remove paper backing from appliqué shapes.
2. Choose four hearts for each flower (1 medium flower and 1 small flower).
3. Layout hearts with points touching on back and shoulder of jacket in random manner, using images as inspiration.
4. Fuse each flower in place following manufacturer's instructions.
5. Draw vine connecting flowers with water soluble marker.
6. Sew cording over drawn line, by hand or machine.
7. Remove markings.
8. Layout leaves with points touching cording and fuse in place.
9. Appliqué edges of appliqué shapes by hand or machine.
10. Sew buttons to flower centers.
