## GO! baby bear ONESIE

### FABRIC REQUIREMENTS

- Purchased onesie or t-shirt
- Brown fabric—5" charm square or scrap
- Light pink fabric—scraps
- Pink fabric—scrap
- Fusible web—¼ yard
- Optional—tear-away appliqué stabilizer—6" square

### CUTTING DIRECTIONS

Apply fusible web to wrong side of appliqué fabrics before cutting.

#### Brown Fabric:

- Cut 1—bear shape

#### Light Pink Fabric:

- Cut one set of ear, paw and feet accent shapes

#### Pink Fabric:

- Cut 1—bowtie shape

### SEWING DIRECTIONS

1. Remove paper backings from appliqué shapes.
2. Position bear on onesie. Fuse according to manufacturer's instructions.
3. Add ear, paw, foot and bowtie accent shapes. Fuse in place.  
*Tip: Use the point of a pin to move tiny shapes.*
4. Machine appliqué edges of shapes with matching thread and a very narrow satin stitch.

*Optional: Place a square of tear-away appliqué stabilizer on the inside of onesie to improve the appearance of machine appliqué stitching.*

5. Add face detail by hand or machine as desired.

*Tip: Do NOT use buttons or embellishments if garment will be worn or used by infants or toddlers.*

6. Tear away excess stabilizer after stitching is complete.
