SEWING DIRECTIONS

1. Remove paper backings from appliqué shapes.
2. Following diagram, position appliqué shapes on each light blue 6½" square. Remember to allow for seam allowances. Fuse in place following manufacturer's directions.

3. Machine appliqué edges of shapes with matching thread and a narrow zigzag or narrow satin stitch.
4. Cut one yellow 1½" strip into three 1½" x 6½" rectangles.
5. Pin and sew yellow rectangles between blocks. Press seams toward yellow rectangles.
6. Pin and sew yellow 1½" strips to sides first, then top and bottom of wall hanging center. Press seams toward yellow strips.

QUILTING AND FINISHING

1. Layer batting between wall hanging top and backing.
2. Pin or baste layers together.
3. Model was machine quilted with outline quilting around appliqué shapes and in the ditch around light blue squares.
4. Add binding, mitering corners, adding a hanging sleeve, if desired, before hand stitching binding to back of wall hanging.
