Additional Fabrics Needed:

- Backing—72" x 72" or 2—2 yard pieces then sewed back together along the selvage edge
- Batting—66" x 66"

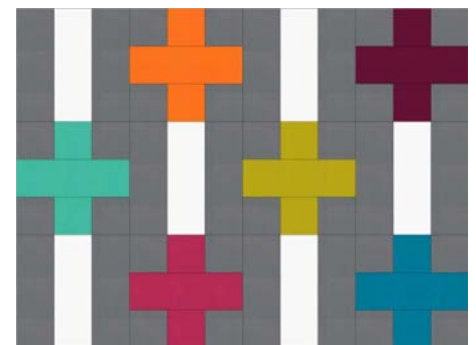

Sewing Directions:

1. Pin and sew one gray and one orange $4\frac{1}{2}$ " square together as shown. Press toward the orange. Make 2 units.
2. Pin and sew a Step 1 unit to the top and bottom of a $4\frac{1}{2}$ " x $12\frac{1}{2}$ " rectangle as shown. Press toward the orange. Block should measure $12\frac{1}{2}$ " unfinished.
3. Repeat above steps with the remaining 7 additional colors for a total of 8 blocks.
4. Pin and sew one gray $4\frac{1}{2}$ " x $12\frac{1}{2}$ " rectangle to both long sides of one white $4\frac{1}{2}$ " x $12\frac{1}{2}$ " rectangle. Press toward gray rectangles. Block should measure $12\frac{1}{2}$ " unfinished. Make 8 blocks.

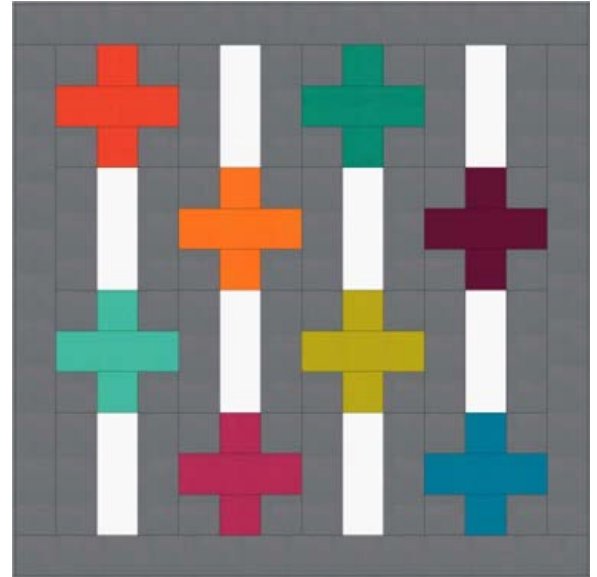

Assemble the Quilt Top:

1. Lay out blocks in 4 rows of 4 blocks as shown. Press seams toward the gray rectangles. Pay close attention to the direction of the Plus Block as the seams are pressed so they will nest together for ease of sewing the rows together. (HINT: Swirl the intersections where the plus blocks join the bar blocks so the colored fabric will press away from the white fabrics.)
2. Pin and sew rows together, nesting all seams.

Add Borders to Assembled Quilt Top:

1. Measure vertically along both sides and vertically through the middle of the quilt top. Take all three measurements, average them and cut the 4½" strip the length of the average measurement.
2. Pin and stitch the vertical borders to the right and left sides of the quilt top, easing as necessary. Press seams toward the border.
3. Measure horizontally along the top and bottom and the middle of the quilt top. Take all three measurements, average them and cut the 4½" strip the length of the average measurement.
4. Pin and stitch the horizontal borders to the top and bottom of the quilt top, easing as necessary. Press seams toward the border.

Quilting and Finishing:

1. Layer batting between quilt top and backing.
2. Pin or baste layers together.
3. Quilt as desired.
4. Add binding, mitering corners.
