

Swimming Geese Small Pillow

(Maple Farm Collection Autumn 2020)

This pillow is so cute you are sure to want to make a whole collection of them using other fabrics from the Maple Farm range. The background fabric can be changed if you wish, as there are many lovely Tilda Solids to choose from. If you want to make other projects on this swimming geese theme, there is another, larger, pillow featuring two geese, plus a gorgeous bed quilt.
